

Uganda Girls Project

St. Mary by the Sea Parish, Rockaway Beach, Oregon

FROM THE PRINCIPAL'S OFFICE. . . .

Dear Friends,

Nancy graduated in December of 2023 and we have now learned that she won a full government scholarship. This is very special to us, and we had a great party to celebrate her great success! Our St. Aloysius Board of Directors presented her with a laptop computer as a gift to take to college.

The sisters of the Daughters of Mary are dedicated to improving the plight of women in our country.

Nancy has been dependent on full scholarships throughout her secondary school years as there are eleven in her family and their household income is low.

The sisters of the Daughters of Mary are dedicated to improving the plight of women in our country, and as a school working to be the best and educate the future women leaders of our country! We could not be having this great success without your scholarship donations! There are so many smart girls who want an education. You are helping us to educate our daughters to become leaders in Uganda and to use the talents that God has given them to make our country better.

Thank you to our generous donors

Sister Maria Theresa, Principal

A message from the St. Mary by the Sea, Uganda Team, April 14, 2024

(In place of our report, please enjoy this beautiful letter from Nancy)

My dear friends,

I have written mainly to thank you for all your unending love you have shown to me through sponsoring me at St. Aloysius. If it was not for your constant love, I would not have made it to this level. Instead I would have maybe started a small business to help my family.

Now I have earned excellent scores of 18 out of 20 in science and math classes. These points are not only by my efforts but by your efforts too for giving me an opportunity to go to a good school for a secondary education. Now I qualify to go to any university of my choice in our country and do a course in medicine since that is my long-awaited dream.

Currently I am at school helping my fellow underclassmates in senior 5 and 6 as my program at the university will not start until August.

I thank my dear sponsors for the endurance in supporting me financially by paying my fees throughout my six secondary school years. May the Almighty God pay you back for all your sacrifices in contributing to scholarship fees and for repairing our buildings. It is now a beautiful-looking school. We are blessed to have you on our team!

Your beloved daughter,
Nancy

Our scholarship student, Nancy, has won a scholarship to the university of her choice in Uganda!

She will be studying medicine.

Of course no party would be complete without our traditional Bwanda dancing and singing! Everyone here dances and sings!

Meet Pauline, the student who scored the highest from the next testing level for the S4 (10 grade) students. Pauline is focused on chemistry, biology, and computer science.

Weebale! Thank you!

Thank you for your very generous donations! Sister appreciates all you have done for her girls. Future donation checks should be made out to **St. Mary by the Sea Church**. (Please write UGANDA on the memo line) and mail to:
