

# Uganda Girls Project

St. Mary by the Sea Parish, Rockaway Beach, Oregon

## FROM THE PRINCIPAL'S OFFICE. . . .

Greetings Sponsors and Friends of St. Aloysius,  
Now that we are back in full swing with our second term, I would like to report to you that our girls are doing well with their schoolwork, and the many clubs we now have on campus are very popular. On Sunday a variety of photos were taken and please allow me to share some with you in this newsletter. On the morning of picture taking day students completed their second term retreat which they reported was awesome. Their retreat master was Fr Raphael Tebukozza.

We are happy to send you the final sponsorship numbers for 2024.

**FULL SPONSORSHIP = 64**

**HALF SPONSORSHIP =148.**

The total student population at school is now 420 students. We once again thank you for all the support you render to us, dear generous donors. We are so proud to have so many scholarships provided by you. Many of our smart girls here at St. Aloysius are on scholarship. They are getting a high school education only because of your generosity.

May God bless you abundantly,

*Sister Maria Theresa, Principal*

## A message from the St. Mary by the Sea, Uganda Team, June 20, 2024

We are happy to share that our friend, Tim Law, who encouraged and helped us set up our St. Aloysius Scholarship program now almost 10 years ago, is currently in Uganda. Tim recently visited St. Aloysius on our behalf and was able to meet with our scholarship students. Tim reminded them that their scholarships are gifts from St Mary by the Sea parishioners and other friends and that we offer these scholarships so that they have an opportunity to become leaders in their communities. We thank Tim Law for taking time out of his busy schedule to visit with and check on our girls. Tim is a Seattle lawyer working on several projects in Uganda, including medical clinics.

In other news, Lynne Marie who has kept our website going for quite a few years now, has recently let us know that she has been diagnosed with cancer. May we all pray for successful chemo treatments and surgery for Lynne Marie. She will not be able to continue updating the website for us but is willing to give anyone interested the information on how to continue the monthly updating. Please contact Catherine Imbrie if you can help with the website. It's a job that can be done from anywhere, Lynne Marie lives in Tennessee.
